

Electronic Funds Transfer

To better serve our missionary staff and their supporters, **InterAct Ministries of Canada** is able to provide Electronic Funds Transfer. We can arrange for our bank to automatically transfer your donation directly to **InterAct Ministries of Canada** each month. Here are just some of the **advantages**:

- **You maintain control** over your giving just as if you were writing a cheque. At any time you can change your donation amount or preference, change bank accounts or cancel your donation by simply sending written notice to **InterAct**.
- **You save money** on postage, cheques and envelopes because your gift is transferred automatically.
- **You save time** because your donation is automatically transferred each month.
- **You eliminate worry** over delayed, lost or stolen cheques. Your gift arrives safely each month, even when you are out of town or on vacation.
- **Signing up for** Electronic Funds Transfer is simple:
 1. Complete the authorization form below.
 2. Enclose a **blank voided** cheque so we can get accurate account information.
 3. Send this form and your voided cheque to InterAct with your next contribution.
